Packaging and contents

Box containing 2 blisters of 15 coated divisible tablets.

Product category

Food supplement.

Indications: BRAINIL® is an association of L-acetylcarnitine, vitamin B12 which is useful for normal functioning of the nervous system, and standardized extract of Ginkgo biloba which supports physiological function of the microcirculation and exerts an antioxidant action.

Recommended dose: 1 or 2 tablets per day.

Warnings: If you are taking anticoagulants or antiplatelet drugs consult your doctor before taking Brainil®. Brainil® is not recommended during pregnancy and lactation. Do not exceed the recommended daily dose. Food supplements are not intended as a substitute of a balanced and varied diet and a healthy lifestyle. Keep out of reach of children under three years old.

Storage conditions: Store at controlled temperature (not more than 25°C); avoid exposure to localized heat sources, sunlight and contact with water. The expiry date refers to the product properly stored in unopened package.

Produced and packaged in the plant of Via Gran Bretagna, 1 - 21013 Gallarate (VA), Italy on behalf of Pharma Line - Via Bertani, 2 20154 Milan, Italy
