**Roxane®** is an association of Myo-inositol, D-chiro-inositol, L-carnitine, Folate, Vitamins B12, D, E and Selenium. Folate, in its activated form, contributes to the growth of maternal tissues during pregnancy and together with Vitamin B12, promotes normal homocysteine metabolism and intervenes in the cell division process. Vitamin D contributes to the normal function of the immune system. Vitamin E and Selenium contribute to protect cells from oxidative stress.

**Recommended dose:** 1 stick pack twice a day between meals. To ensure a constant intake of inositol, it is necessary to take the two stick packs at a distance of 10/12 hours from each other.

GLUTEN FREE  
WITH FRUCTOSE  
NATURALLY  
LACTOSE FREE

**Instructions for use:** Open the stick pack following the cutting line and pour the content directly into the oral cavity; if you prefer, you can dissolve the content in a glass of water (200 ml).

**Warnings:** Food supplements are not intended as a substitute for a varied, balanced diet and a healthy lifestyle. Do not exceed the recommended daily dose. Keep out of reach of children under 3 years. Do not take the product in case of hypersensitivity or allergy to one or more components.
