Dunal, radix and herba) d.e., hawthorn (*Crataegus oxyacantha* auct., *Crataegus monogyna* Jacq., folium, flos) d.e. std. 3% vitexin-2-rhamnoside and hyperoside, bulking agent: microcrystalline cellulose; magnesium oxide, anti-caking agent: cross-linked sodium carboxymethylcellulose; stabilizer: polyvinylpyrrolidone; glazing agent: hydroxypropyl methylcellulose; pyridoxine hydrochloride (vitamin B6), anti-caking agents: vegetable magnesium stearate, vegetable stearic acid, silicon dioxide, polyethylene glycol; colour: calcium carbonate; spirulina extract, glazing agent: glycerol.

Packaging and content: box with 2 blisters of 15 coated tablets of 560 mg each.

Category: food supplement.

Dianazen® is a combination of Sensoril™, hawthorn, magnesium and vitamin B6. *Withania somnifera* (Sensoril™ - Ashwaganda) promotes relaxation and mental well-being and has tonic-adaptogen activities. Hawthorn promotes relaxation and mental well-being, the regular function of the cardiovascular system and the regularity of blood pressure. Magnesium and vitamin B6 contribute to normal psychological function, to normal functioning of the nervous system and to a reduction of tiredness and fatigue.

Recommended dose: 1 tablet in the morning and 1 tablet in the evening half an hour before going to sleep.

Warning: food supplements are not intended as a substitute for a varied and balanced diet and a healthy lifestyle. Do not exceed the recommended daily dose. Keep out of the reach of children under 3 years of age. Do not take in case of hypersensitivity or allergies to one or more components.

Storage conditions: store the product in a dry and cool place, below 25 °C; avoid exposure to localized heat source, direct sunlight and contact with water. The expiry date refers to the product unopened, properly stored.
